

National Hot Tub Expo

COVID-19 Safety Guidelines

Our expo show would be a perfect match for your facility during the beginning stages of reopening your business. Our event targets a specific group of people and our foot traffic is only 100 – 150 attendees throughout the entire weekend event. Our company follows the recommendations made by the U.S. Centers for Disease Control and Prevention (CDC) and the Occupational Safety and Health Administration (OSHA). We follow the activities of these agencies so that we are up-to-date on any new rulings or guidance that may be issued. We do this to make sure that our infection control procedures are current and adhere to each agency's recommendations.

Public Safety

- Maximum capacity at all times including staff members will be 25 people.
- We will set up a table at the entrance. Where a staff member will greet all attendees and explain to them the safety guidelines.
- To make sure that is safe to come into our expo we will provide a brief health questionnaire to all attendants to ensure everyone is healthy.
- Anyone showing flu like symptoms will not be allowed into our expo
- Everyone will be required to wear a face mask. We will provide anyone without a mask a disposable one.
- Everyone will be encouraged to use hand sanitizing when entering the venue
- Sanitation stations will be at the entrance and at every closing table
- All Hot Tubs and Swim Spas will be 8 – 10 feet apart
- Social distancing guidelines will be practiced
- Everyone 65 and older will have the option to conduct business via virtual camera with a sales person.

Strategies for Staff

- Conduct Daily temperature check ups
- Mandatory face mask coverings

National Hot Tub Expo

- Practice social distancing
- Maintain a good ventilation system
- Sanitation stations will be accessible at all times
- Staff will be required to wash their hands for at least 20 seconds in between customers.

Cleaning and Disinfecting Guidelines

- Wear disposable gloves to clean and disinfect
- All hot tub surfaces will be regularly sanitized using disinfectant wipes and sprays
- All Ipads, pens and office supplies will be regularly sanitized
- Mandatory clean up and disinfect of all surfaces at midday and end of the day
